

Tap the Heart's Blood

Fire 7

Water 2

Blood 3

Earth 7

Air 2

Drachma 25

This Greater Mystery is cast at the same time as a second Greater Mystery. For each blood requirement for the second mystery, this mystery requires the death of a human target - they do not have to be willing. If this condition is satisfied, all blood and quintessence costs for the second mystery are automatically satisfied. EXAMPLE: a specific mystery costs 10 earth, 10 air, 10 fire and 10 water quintessence plus 25 coin and 3 blood. By using this mystery and sacrificing three lives during the casting, the specific zodiac mystery will cost only 25 coin, though it will still require three casting participants. Note that this mystery is insufficient to offset the full casting cost of the Paramount Mystery Prometheus Unbound but if cast in conjunction with that mystery will halve the casting cost.

This Greater Mystery may only be cast once at the Thirteenth Annual unless otherwise specified, and may only be cast under the Sign of Taurus

This sheet represents the information available through the use of the Lesser Mystery "Wisdom of the Seer" on a Greater Mystery focus. This information is valid only for the Thirteenth Annual.

This is an OOC document, but represents IC knowledge your character has gained of the purpose of the Greater Mystery and the ritual and ceremony necessary for the casting of it.
