This Mystery must be cast with the use of a PARAMOUNT FOCUS and must be targeted on a character who is in physical contact with the focus. This rite attunes a character definitively to the target magisterium by enacting a passage through the Underworld of the culture in question. After this rite is cast, the target character may OPEN GATE OF IVORY to the target underworld, act as a psychopomp and move back and forth between the lands of the living and the dead more or less at will.

In the rare case where a nation has no god of death for an extended period of time or is about to be overwhelmed, a character who has been the subject of this mystery may "save" their underworld from being absorbed into a new culture by "embodying it" within their own psyche. This can lead to significant psychological effects in the long term.

To be made permanent this Mystery must be used in conjunction with a KEY and a LOCK. Different combinations of KEY and LOCK mystery will have differing modifications on the effects of this Mystery.

This Greater Mystery may only be cast once at the Thirteenth Annual unless otherwise specified, and may only be cast under the Sign of Taurus

This sheet represents the information available through the use of the Lesser Mystery "Wisdom of the Seer" on a Greater Mystery focus. This information is valid only for the Thirteenth Annual.

This is an OOC document, but represents IC knowledge your character has gained of the purpose of the Greater Mystery and the ritual and ceremony necessary for the casting of it.
