This Zodiac Mystery is castable only on the Gate of Horn/Corrupted Gate allowing access to the joint Pivot/Map room.

This Zodiac Mystery holds the gateway to the joint space indefinitely open. Any character can enter the space freely, though powerful entities such as gods and titans can close the space for short periods of time.

Once cast, a notice will be affixed to the entrance to the map/forge space stating the gate is standing open and any character can freely enter or leave. This notice will be replaced with another when an external force is holding the gate closed.

This Greater Mystery may only be cast once at the Thirteenth Annual unless otherwise specified, and may only be cast under the Sign of Taurus

This sheet represents the information available through the use of the Lesser Mystery "Wisdom of the Seer" on a Greater Mystery focus. This information is valid only for the Thirteenth Annual.

This is an OOC document, but represents IC knowledge your character has gained of the purpose of the Greater Mystery and the ritual and ceremony necessary for the casting of it.
