

Guayota's Diagrams

...the key to the gate, whereby the spheres meet...

These diagrams are complex and seem to writhe on the very page. You are granted brief flashes of vision; something huge beyond imagining, rods and wheels and eyes in the wheels, a great celestial mechanism of surpassing complexity and power, the gate and the key, secret connections, the hidden pathways of the world.

The diagrams have something to do with the Gates of Horn and Ivory, but only in the same way a bird has something to do with the sky. What they describe is... so much greater.

Some of what they describe is almost Egyptian, but not quite.

To utilise the Diagrams requires MASTER BUILDER status. If you possess the diagrams and the status, come to GOD for the advanced briefing sheet.
